Varshabharana

Abharan Jewellers **Varshabharana** Scheme is a savings linked 12 month instalment purchase scheme. Basically you make a monthly instalment of Rs.1000 (or in multiples of Rs.1000). All the 11 instalments must be equal, i.e., you will have to pay the same amount which you have paid as the first instalment at the time of joining the scheme.

Eg: If you pay Rs.1,000/- as the first instalment while becoming a member of 'Varshabharana' Scheme, then in the remaining 10 months you will have to continue to pay Rs.1,000/-.

In this scheme the 12th instalment will be our gift to those members who pay all the 11 instalments in time.

The monthly instalments will be converted into the weight of gold according to the gold rate on that particular day and will be credited to your account.

This offers you immunity from fluctuating gold rates.

There will be no monthly lucky draw in this scheme. The benefits of this scheme cannot be availed if the monthly instalments are not paid, in time, every month.

Adrastabharana

Abharan Jewellers present **Adrastabharana**, a savings linked instalment purchase scheme. It is a 12 months scheme in which you can choose your monthly instalments (Rs.250/-, Rs.500/- or Rs.5,000/-) according to your convenience.

There will be a monthly draw on the 10th of every month at Udupi/Shimoga showrooms and on the 21st of every month at the Mangalore showroom. If you become a lucky winner, you need not pay the remaining instalments and you can own 22 karat gold jewellery worth Rs.3,000/-, Rs.6,000/- or Rs.60,000/- respectively*.

The monthly instalments will be converted into 'the weight of gold' according to the gold rate on that day and will be credited to your account. Thus, you will not be affected by the fluctuating gold rates.

If you win the lucky draw in the twelfth month you will receive an additional silver coin. If not, after the 12th instalment you can be a proud owner of jewellery worth Rs.3,000/-, Rs.6,000/-, or Rs.60,000/- respectively.

* Please also see the table on the next page for more clarity on the scheme.
