

COVID-19 PROTOCOL

Steps we have taken to make our stores Covid-ready.

1. Masks and face shields for every employee.
2. Social distancing across all sales counters
3. Hand-sanitisation of every customer and employee upon entry
4. Temperature checks of all employees at regular intervals and of each customer upon entry.
5. Disinfecting the stores at regular intervals in the day
6. Sanitising calculators, billing devices, sales counter tops, customer chairs, and card readers after every sale.
7. Disabling biometrics machines in stores
8. Temporarily withdrawing valet parking facility
9. Enabling Video shopping and online shopping for the convenience of our customers.
10. Disinfecting jewellery with UV-C machines, after every customer interaction.
